

Meeting community needs in Ohio. More than **59,000** people of all ages and backgrounds are helping to solve problems and strengthen communities through **140** national service projects across Ohio. Serving with national and community nonprofit organizations, faith-based groups, schools, and local agencies, these citizens tutor and mentor children, coordinate after-school programs, build homes, conduct neighborhood patrols, organize local homeland security efforts, respond to disasters, and recruit and manage volunteers. This year, the Corporation for National and Community Service will provide more than **\$21,800,000** to support Ohio communities through three major programs:

Senior Corps: More than **19,000** seniors in Ohio contribute their time and talents in one of three programs: **Foster Grandparents**, who serve one-on-one with more than **5,000** young people who have special needs; **Senior Companions**, who help more than **900** other seniors live independently in their homes; and **RSVP** volunteers, who work with more than **1,900** local groups to meet a wide range of community needs, including safety patrols with local police departments, environmental projects, tutoring and mentoring, and responding to natural disasters.

AmeriCorps: This year, more than **1,300 individuals** are serving in Ohio communities as AmeriCorps members. In return, the members receive an education award of up to \$4,725 to help pay for college or pay back student loans. To date, more than **6,400** Ohio residents have qualified for education awards totaling more than **\$27,000,000**. Two-thirds of AmeriCorps grants are made by the Ohio Community Service Council. National nonprofits, such as Jumpstart and City Year, make other assignments. Other members serve in AmeriCorps*VISTA, and AmeriCorps*NCCC (National Civilian Community Corps).

Learn and Serve America: Learn and Serve America provides schools, colleges, and community organizations with grants for service-learning. These grants help make it possible for more than **39,000** Ohio students to meet community needs while improving their civic and academic skills and learning the habits of good citizenship.
